Subject: Request for Extension of Assignment Submission Deadline Request for Extension of Assignment Submission Deadline

---

Respected Professor,

I hope you are doing well. I am writing to respectfully request an extension for the submission of the chemistry assignment, which is currently due on 24th March 2026.

Due to unforeseen personal circumstances, I have been unable to complete the assignment to the best of my ability within the given time. I sincerely value the quality of my work and would appreciate a short extension of 2 days to ensure that I can submit a well-prepared assignment.

I apologize for any inconvenience this may cause and assure you that I will make the best use of the additional time granted.

Thank you for your understanding and consideration.

Yours sincerely,
Abhinandita Roy
